There is a second collection this week for the Catholic Education Service. Another next week for CAFOD.

Certificates of Baptism must be requested well in advance of need or they may not be available in time.

The **certificate of Catholic practice** is not needed for acceptance into a Catholic school. They are being given out for children in year 6 who have a 2-3year record of attendance.

It seems each school, is demanding their own copy so please add the name of the school to the form.

For Reception entry, these will be given out from mid-November the family must who have a 2-3year record of attendance at this Church.

CAFOD Family Fast Day - 3 October 2025. This Family Fast Day, CAFOD is highlighting its work with communities in Ethiopia facing climate challenges, where its donations fund vital water infrastructure projects. This is alongside CAFOD's continued response to urgent needs in the Holy Land, Ukraine and Sudan through trusted local Church partners.

I still need more people who want to be involved in leading children at the 11 O' clock mass to have a DBS check. I hope we can start in October.

There have been three ideas suggested for fundraising this year, these will be discussed at the next Parish council meeting in October. Each advocate should write/email about the charity they would like to be considered and send to the parish office at the above address.

The diocese requires a head count to be taken at this time so I will be asking people to stay still while this is done. It is simply your head; no facial recognition system is involved. I promise.

## St Winefride's Catholic Church,

The noticeboard has results of a survey of faith schools by the Daily Telegraph, this could be a help for parents with children in year 6
