The Archbishop appoints Priests to the Cathedral Chapter, responsible for the Cathedral services. They are also a college of consultors, a group to discuss ideas with the Archbishop about the diocese. He does appoint new members from time to time who are given the title Canon, although some might be quite happy to be called Father. He has asked me to take up the role. The formal induction will be at the Cathedral at 6pm on November 6th.

For those who receive the newsletter by email there are two additional files - a section, from the Magnifica, of chapter 2 and 3, the other a general commentary. Chapter 2 is a description of some of the key terms in Catholic Social Justice which the Prime Minister has said was important in his political thinking. The excerpt from chapter 3 focusses more on the threat of AI.

Papal documents are carefully written to include the tradition of the church to enable its unchanging tradition to be unchanged but allowing the development to embrace the new situation of each time, which the introduction and Chapter 1 describes. The conclusion is based on the development of the themes of social justice in our time.
